

EYEsENSE MAKES SENSE

EYEsENSE GOLD

You want us to regularly assess and treat a specific eye condition such as Glaucoma, Diabetes or Dry Eye. You may like us to act as a safety net to irregular eye hospital appointments

Just £15 per month

We will advise you on the most appropriate level for you before you commit. Our practice policy is one of fairness and openness. The fees may increase with inflation from time to time. However we will guarantee them for at least two years.

The Benefits of EyeSense

- Comprehensive professional Eye Care
- Eye care as required
- Access to specialist clinics at no extra cost such as
 - Ocular surface disease management (Dry and Wet Eyes)
 - Macular pigment assessment (Risk of AMD)
 - Optic Nerve Head assessment and monitoring (Glaucoma)
 - Binocular vision assessment (Dyslexia and SLD)
- One monthly fee to spread the cost
- Easy DD payment
- 25% off every pair of glasses
- 25% off sunglasses
- The lowest contact lens prices, guaranteed
- The lowest accessory prices guaranteed
- Exclusive seasonal offers

EYEsENSE MAKES SENSE

EYEsENSE SILVER

You may be a contact lens wearer (and/or) you are over 40 and aware of the benefits of long term expert eye care using the Gold Standard techniques. You may have a risk factor or have a particular disease such as Glaucoma, diabetes or Dry Eye. You wish to make use of our specialist equipment, for example monitoring macular pigment levels.

Just £10 per month

We will advise you on the most appropriate level for you before you commit. Our practice policy is one of fairness and openness. The fees may increase with inflation from time to time. However we will guarantee them for at least two years.
